### **Southwestern Indiana Association of Health Underwriters Receives Pacesetter Award**

**Evansville, IN** — Southwestern Indiana Association of Health Underwriters (SWIAHU) recently received the Pacesetter Award at the National Association of Health Underwriter's Annual Convention in San Antonio, TX. The Pacesetter Award honors local association chapters for outstanding achievements in service to their members, the industry and the public.

“The judges felt that SWIAHU exemplifies the dedication to providing the best opportunities for our members for the second year in a row,” said Kevin Brewer, president of SWIAHU. “This year, our chapter organized a Health Insurance Awareness Week in our local community, made a donation to Impact Christian Health Care as part of our community service efforts and hosted over 10-hours of continuing education to further our members’ educational efforts. These projects and many others have set a standard of excellence in the health insurance industry that we are proud to represent.”

SWIAHU is a local chapter of the National Association of Health Underwriters (NAHU) - The mission of SWIAHU is to improve its members’ ability to meet the health, financial and retirement security needs of all Americans through education, advocacy and professional developments.
