Southwestern Indiana Association of Health Underwriters Qualifies for Gold Certification

(Arlington, VA) – The National Association of Health Underwriters (NAHU) is proud to announce that the Southwestern Indiana Association of Health Underwriters (SWIAHU) has qualified to receive Gold Certification.

SWIAHU president, Kevin Brewer of Anthem states, “The criteria set forth by NAHU are all conditions that make a chapter relevant and vibrant. I am so pleased our chapter has gone for the gold”.

NAHU's Chapter Certification Program is an ongoing program that recognizes excelling chapters all year long. Recognition is based on criteria satisfaction in various areas. To earn Gold Certification, chapters must satisfy at least nine of 14 criteria including conditions on membership events, website programs, communications and strategic planning.

“Gold Certification is bestowed upon chapters that have demonstrated developmental excellence in their local area, nationally and in the health care industry,” said NAHU CEO Janet Trautwein. “The volunteers in the Southwest Indiana Chapter met our expectations and far exceeded them.”

SWIAHU is a local chapter of the National Association of Health Underwriters (NAHU) - The mission of SWIAHU is to improve its members' ability to meet the health, financial and retirement security needs of all Americans through education, advocacy and professional developments.
