Southwestern Indiana Association of Health Underwriters Receives Pacesetter Award

Evansville, IN — The Southwestern Indiana Association of Health Underwriters recently received the Pacesetter Award at the National Association of Health Underwriter’s Annual Convention in Chicago, IL. The Pacesetter Award honors local association chapters for outstanding achievements in service to their members, the industry and the public.

“The judges felt the SW Indiana chapter exemplifies the dedication to providing the best opportunities for our members this award recognizes,” said Carolyn Beck, chapter president. “This year, our chapter organized Health Insurance Awareness Week in our local community and hosted many hours of free continuing education to further our members’ educational efforts. These projects and many others have set a standard of excellence in the health insurance industry that we are proud to represent.”

The mission of SWIAHU is to improve its members’ ability to meet the health, financial and retirement security needs of all Americans through education, advocacy and professional developments. SWIAHU members adhere to the highest ethical standards of conduct in the industry.
